Help us find Māui

Māui are the rarest dolphins in the world

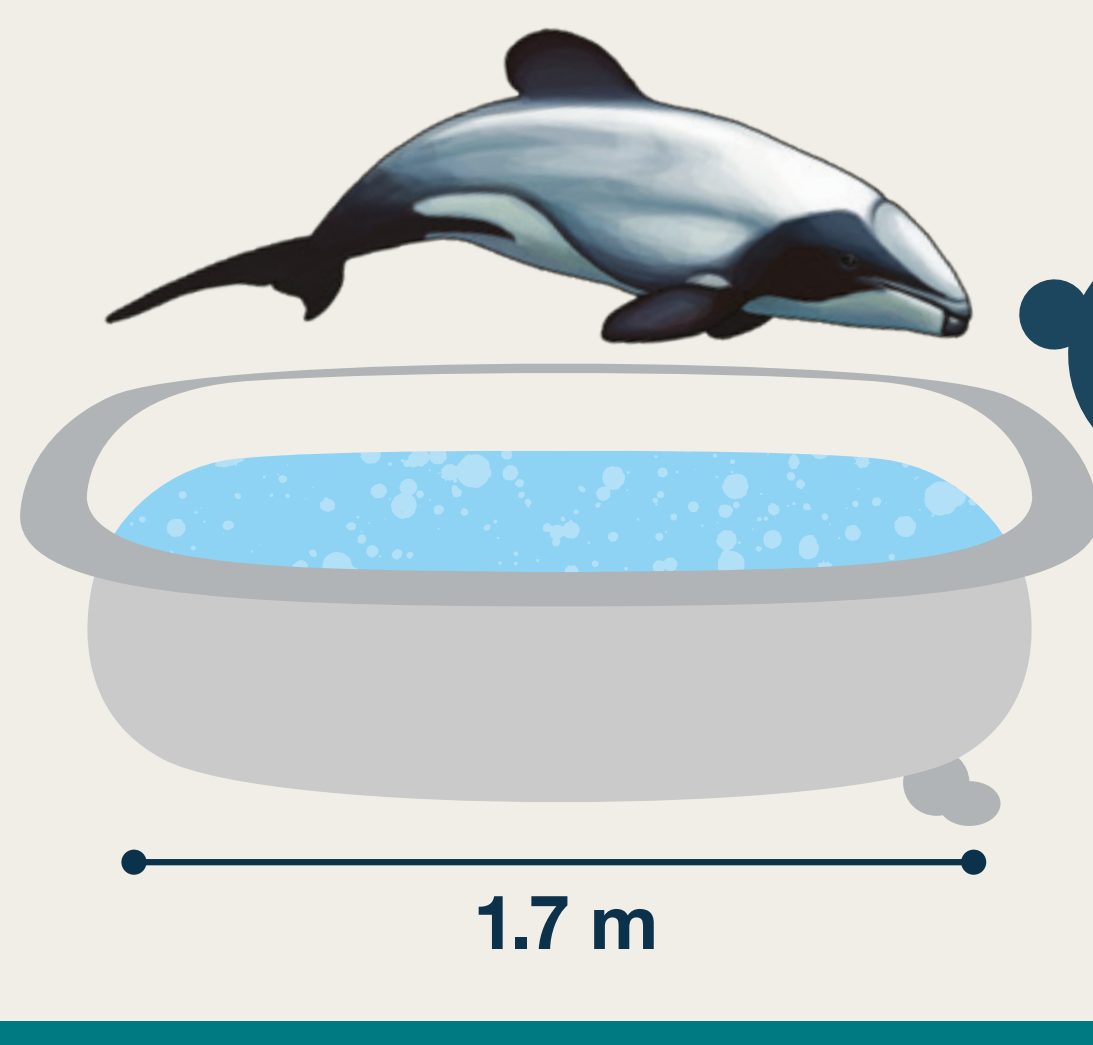

63

ESTIMATED POPULATION

Māui dolphin adult and juvenile

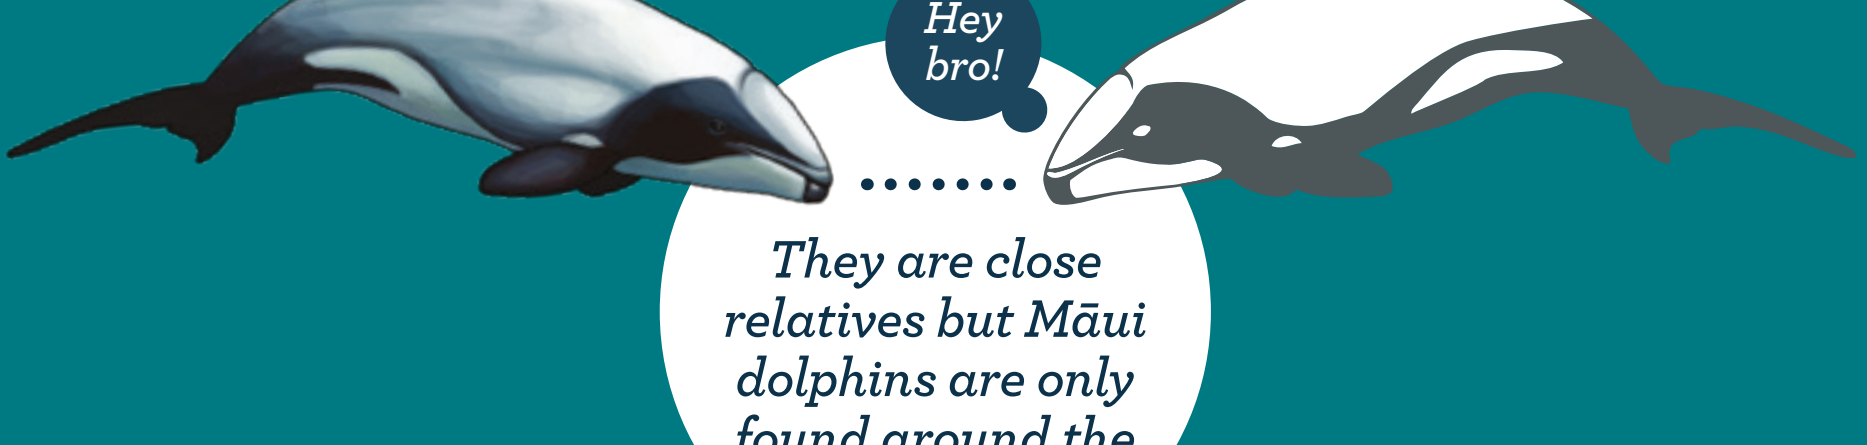

Māui are the smallest dolphins in the world

I'd fit in your bath!

1.7 m

Māui and Hector's dolphins look identical

.....
They are close relatives but Māui dolphins are only found around the North Island.

Known Māui dolphin hangout

Where else do they go? We want to know!

Māui dolphin

Common dolphin

If you think you've spotted a Māui dolphin call: 0800 DOC HOT (0800 362 468)

Your sighting could help save a Māui dolphin
