All plants are propagated at our nursery. They are available as long as stocks last. They are subject to shortages caused by circumstances beyond our control. We will confirm their availability.

The plants for sale have been selected to be of merchantable quality and true to name and description, but any expressed or implied conditions, statement or warranty in this respect is hereby excluded. See the full conditions of sale on our website [here](#).

We love to re-use our containers! If you could - please drop the pots back to the nursery. Leave them outside the doors or pop them over the back fence if we are closed.

Thank you!
