Help keep Hauraki Gulf islands pest free

Visiting overnight? Before you go

- ✓ Check and clean your bedding, tent and other camping gear carefully for stowaway pests, soil and seeds.

Boaties and kayakers

- ✓ Check and clean your boat or kayak thoroughly for pests, soil and seeds – before you leave and travel between islands.
- ✓ Look for signs of pests – droppings, chewed wiring etc.
- ✓ Set traps around or on your boat or kayak and use fresh bait where it is stored.
- ✓ Leave your pet at home or on your boat when visiting islands.

What to do if you find a pest.

Catch and contain any pests – don't throw them overboard alive.

Call 0800 DOC HOTline (0800 362 468) and email biosecurity@aucklandcouncil.govt.nz to report sightings of pests.
