We asked Kiwi kids just like you, to put together a list of things you love to do in nature.

We listened to all your ideas and created a top list of **50 things to do before you're 12 ¾** (although still great if you're 82 ¾).

You'll find fun things to do in all kinds of outdoor spaces: your backyard, deck or window sill, mountains to sea, forest and fields.

So what are you waiting for? **Check them out and see how many you can do!**
