

Bach – 2717 Queen Charlotte Drive – Marlborough Sounds

1. **Bridge** – as per Photo – Location as on Map
This was erected circa 2010 when track between Boat Shed and Bach washed out. To minimise unnecessary work on the Foreshore reserve a simple bridge structure was erected to provide access.
2. **Retaining wall** – 1.3 x 2.5 metres – erected 2007 by builders to retain and protect Boatshed.
3. **Track** to access Boatshed – pre 1970 when property was purchased
4. **Retaining wall** – built in 2007 – below level of max height – built when Boatshed erected in 2007.
5. **Electricity** – cable to Boatshed pre 1970 – upgraded to Conduit Galv pipe when Boatshed erected – 2007
6. **Water Tank & Pump** – existed prior to 1970 – upgraded – new pump water tank when Boatshed erected 2007
